Dear Sir/Madam

LETTER OF THANKS

Thank you for your generous donation to Nebo Primary School, Ravensmead. Thanks to your contribution and commitment to the cause of education in our community, we are able to increase awareness and raise funds for the parents from our school who are unable to provide even basic education for their children, due to various factors.

We appreciate your effort and all that you have done to ensure that more children get educated and therefore, have a brighter future. With the help of donations that we receive from patrons such as yourself, and other events that we organize like fetes, book collections drives, etc. we raise money and collect books to donate to the cause. The money is used to buy books and help pay salaries.

As we successfully fulfil our mission of educating more children in lesser developed communities, we also aim at educating their parents to enable them to help their children cope with their studies. It is only due to the patronage of people like you that we have managed to work towards achieving our mission.

Thank you again for all your contributions to our cause.

Kind regards

**MR. NIGEL ANDREWS
