RE: Donation for 7's Rugby Tournament

We, Blackheath High School would like to thank you for your positive response regarding our fundraiser for the sports.

We are thankful and grateful that you are willing to lending a helping hand.

It is with great pleasure and excitement to announce that we will be hosting our very first District Rugby 7's tournament on 7th December 2019. With that having said, it is very sad that over the last few years, sport has started fading out of schools as well as our community.

Currently we are trying our utmost best, with the help of some new guys that came on board, to spark some new life, hope and energy within the sporting culture of our school, as well as the wider Blackheath Community.

We are having a fundraiser on 30th November 2019 where we will be selling "Wors Rolletjies"

The reason for this fundraiser is, currently we have no equipment, ie; water bottles, tackling bags, etc. and with the new season approaching we would like to have everything in place and prepare well for the future.

We would appreciate any assistance possible and available. We will be catering for +/- 450 people.

We would like to take the opportunity to thank you for your willingness and assistance

Regards

Mr P. Gordon (Principal)
