Mr Edmund Hale-Trenoweth
Director
Beyond the Edge Tutoring

Dear Edmund

Thank you for your continuous support of our school initiatives

I trust that this letter finds you in good health and spirit. It is with extreme gratitude that we wish to express our sincere appreciation to you and your organization for the continuous support of our school initiatives, especially your monthly donation towards the school feeding scheme, your generous sponsorship as the main sponsor of the annual Grade 7 Mathematics Olympiad and The Day of the Aged function.

Your continuous willingness to support these initiatives assists us to:

- Provide wholesome sandwiches to more than a hundred learners a day
- Successfully run the annual Grade 7 Mathematics Olympiad
- Treat the seniors to additional gifts and snack at the Day of the Aged event.

Our school management, staff and SGB wish to extend our heartfelt gratitude to you and your organization for assisting us with these sponsorships, which goes a long way to ensuring the success of these initiatives.

We wish you and your organization lots of success in 2020 and look forward to working with you.

With kind regards

Mr MA Fairbairn
Principal
