Edmund Hale-Trenoweth
Managing Director
Beyond the Edge Tutoring

Dear Edmund

On behalf of the school senior management team, educators, learners and School Governing Body we would like to express our sincere thanks and appreciation to you and your organization for kindly agreeing to be the main sponsor of our 2018, Grade 7 Mathematics Olympiad.

The Olympiad is the only one of its kind and creates a great platform for Grade 7 learners from different schools to challenge each other.

Your generous sponsorship has truly made this year's Olympiad spectacular and gave us the opportunity to give the learners special gifts for their outstanding achievements.

It is our sincere hope that you will partner us on this initiative in 2019 where we hope to grow it even bigger and better.

Thank you once again. We wish you and your organisation all the success.

Yours in Education

Mr. M. Fairbairn
Acting Principal
